Why This Book Exists

Have you ever looked at a code? Maybe a secret code. Maybe a cipher. Maybe a puzzle. It looks like random letters. It looks like random numbers. It looks like nonsense. But then you find the key. You decode it. You see the message. You see the meaning. You see the truth.

The book of Genesis is a code. It is not a secret code. It is not a hidden code. But it is a code. It is a book of beginnings. It is a book of stories. It is a book of symbols. And every symbol points to something. Every story points to someone. Every beginning points to a new beginning. That someone is Jesus. That new beginning is in Him.

This book is for the curious. It is for the spiritual seeker who wants to decode the ancient text. It is for the person who wants to find the spiritual truths. Over the next 30 days, we are going to look at 30 symbols in Genesis. We are going to decode them. We are going to see what they mean. We are going to see who they point to. And we are going to find the spiritual truths of Christ in the book of beginnings.

The Value You Will Get

By the end of this book, you will not see Genesis as just a collection of stories. You will see it as a book of symbols. You will see it as a book of truths. You will see it as a book of Christ. You will understand the symbols. You will understand the truths. You will understand why the book of beginnings matters today. You will have a new confidence in your faith. You will have a new love for your Bible. And you will have a new appreciation for the spiritual truths of Christ.
