Why This Book Exists

When you first start following Jesus, you hear a lot of stories. You hear about Noah and the ark. You hear about Moses and the Red Sea. You hear about David and Goliath. You hear about Jonah and the big fish. They are exciting stories. They are famous stories. They are Sunday school stories.

But then you might wonder, "What do these stories have to do with me? What do they have to do with Jesus? Are they just ancient history?" The answer is no. They are not just ancient history. They are not just Sunday school stories. They are more than just stories. They are clues. They are patterns. They are blueprints. And every single one of them points to Jesus.

This book is for you. You are new to the faith. You are building your foundation. Over the next 30 days, we are going to look at 30 Old Testament heroes. We are going to see their stories. We are going to see their lives. And we are going to see how they point to Jesus. They are more than just stories. They are the story of your Savior.

The Value You Will Get

By the end of this book, you will not see the Old Testament as just a collection of old stories. You will see it as a gallery of heroes. You will see it as a pattern. You will see it as a blueprint. You will understand the Old Testament heroes. You will understand their stories. You will understand why they matter for your new life. You will have a new confidence in your faith. You will have a new love for your Bible. And you will have a new appreciation for the one who is the fulfillment of every story.
