Why This Book Exists

When you first start following Jesus, you learn about the New Testament. You learn about His birth. You learn about His miracles. You learn about His death. You learn about His resurrection. You learn about His grace. It is exciting. It is new. It is wonderful.

But then you open the Old Testament. You read about Adam and Eve. You read about Noah and the ark. You read about Abraham and Isaac. You read about Joseph and his brothers. You read about Moses and the Red Sea. You read about David and Goliath. You read about Jonah and the big fish. You might wonder, "What do these have to do with Jesus? What do they have to do with my new life?"

Here is the secret. They are shadows. They are not the real thing. They are not the substance. They are shadows. They are previews. They are patterns. They are clues. And every single one of them points to Jesus. They are the Old Testament shadows. He is the New Testament reality.

This book is for you. You are new to the faith. You are building your foundation. Over the next 30 days, we are going to look at 30 Old Testament shadows. We are going to see what they meant. We are going to see how they point to Jesus. And we are going to see how they point to your new life.

The Value You Will Get

By the end of this book, you will not see the Old Testament as just a collection of old stories. You will see it as a gallery of shadows. You will see it as a pattern. You will see it as a blueprint. You will understand the Old Testament shadows. You will understand their meaning. You will understand why they matter today. You will have a new confidence in your faith. You will have a new love for your Bible. And you will have a new appreciation for the one who is the fulfillment of every shadow.

How to Use This Guide
