Why This Book Exists

Have you ever noticed a pattern? Have you ever seen something repeat? Have you ever looked at two things and said, "Wow, those are so similar"? We see patterns all the time. We see them in nature. We see them in music. We see them in history. The Bible is full of patterns. It is full of parallels. It is full of types. And every parallel points to one person. Every type points to Jesus.

The Old Testament tells stories about people. It tells stories about Abraham. It tells stories about Joseph. It tells stories about Moses. It tells stories about David. It tells stories about Jonah. These are not random stories. They are not just history lessons. They are parallel lives. They are patterns. They are types. And every single one of them runs parallel to Jesus.

This book is for the curious. It is for the spiritual seeker who wants to see the pattern. It is for the person who wants to understand the parallel. Over the next 30 days, we are going to look at 30 parallel lives. We are going to see the patterns. We are going to see the parallels. And we are going to see how they all point to Jesus. They are the types. Jesus is the antitype.

The Value You Will Get

By the end of this book, you will not see the Old Testament as just a collection of old stories. You will see it as a gallery of parallels. You will see it as a pattern. You will see it as a blueprint. You will understand the ancient types. You will understand the parallel lives. You will understand why they matter today. You will have a new confidence in your faith. You will have a new love for your Bible. And you will have a new appreciation for the one who is the fulfillment of every parallel.
