Why This Book Exists

Have you ever looked at a blueprint? A blueprint is a plan. It is a drawing. It shows you what a building will look like before it is built. It shows you the walls. It shows you the doors. It shows you the windows. It shows you the layout. A blueprint is a promise. It is a promise that something is coming.

The Old Testament is a blueprint. It is a plan. It is a drawing. It shows us what the Messiah would look like before He came. It shows us the details. It shows us the town where He would be born. It shows us the way He would die. It shows us the words people would say. It is a blueprint. It is a promise. It is a plan.

This blueprint was written over 1,000 years before Jesus was born. It was written by different authors. It was written in different countries. It was written in different centuries. But it all fits together. It all points to one person. That person is Jesus.

This book is for the curious. It is for the spiritual seeker who wants to see the plan. It is for the person who wants to understand the blueprint. Over the next 30 days, we are going to look at 30 details of this blueprint. We are going to unlock the prophecies. We are going to see the plan. And we are going to see the one who was planned from the beginning.

The Value You Will Get

By the end of this book, you will not see the Old Testament as a random collection of stories. You will see it as a blueprint. You will see it as a plan. You will see it as a promise. You will understand the messianic prophecies. You will understand why they are so specific. You will understand why they cannot be faked. You will see the hand of God in the details. You will have a new confidence in your faith. You will have a new love for your Bible. And you will have a new appreciation for the one who was planned from the beginning.

How to Use This Guide

This is a 30 day journey. Each day takes about 10 minutes. Read the hook. Read the ancient text. Read the fulfillment. Read the verdict. Read the resonance. Read the prayer. If you are

not sure how to pray, just read the words out loud. God hears honest words. He is not looking for fancy language. He is looking for your heart.

Day 01: The Blueprint of the Seed

The Hook
Have you ever seen a blueprint? It is a drawing. It is a plan. It shows you what is coming. The first blueprint in the Bible is a promise. It is a promise about a seed. It is a promise about a hero. It is a promise about a descendant. It is a promise about Jesus.

The Ancient Text (OT)
"And I will put enmity between you and the woman, and between your offspring and hers; he will crush your head, and you will strike his heel." - Genesis 3:15 (Written around 1400 B.C.)

This is the first prophecy in the Bible. God is speaking to a snake. But He is not just speaking to a snake. He is speaking to the devil. He is speaking to the enemy. He says a descendant of a woman will come. That descendant will crush the serpent's head. The serpent will strike his heel. It sounds like a riddle. It sounds like a code. It is the first line in the blueprint.

The Fulfillment (NT)
"But when the set time had fully come, God sent his Son, born of a woman, born under the law..." - Galatians 4:4

Jesus is that descendant. He was born of a woman. He came to crush the serpent's head. He came to defeat the devil. On the cross, it looked like the serpent won. The heel was struck. Jesus died. But three days later, He rose from the dead. The serpent's head was crushed. The blueprint was fulfilled.

The Verdict
This is not a coincidence. The first prophecy in the Bible is about a hero. The greatest hero in the Bible is Jesus. The pattern is exact. The blueprint is precise. The plan is Jesus.

The Resonance
Do you feel like the snake is winning? Do you feel like the enemy is too strong? Do you feel like you are losing the battle? Remember the first prophecy. The hero is coming. The hero has come. The serpent's head is crushed. You are on the winning side.

The Prayer
God, thank you for the first prophecy. Thank you for the promise of a hero. Thank you for Jesus. Thank you for crushing the serpent's head. Thank you for winning the victory. Help me to live in that victory today. Amen.

Day 02: The Blueprint of Abraham

The Hook
Have you ever seen a blueprint for a family? It is a family tree. It shows you the roots. It shows you the branches. It shows you the descendants. The Bible has a family tree. It is a blueprint. It shows us the line of the Messiah. It shows us the family of Jesus.

The Ancient Text (OT)
"I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you." - Genesis 12:3 (Written around 2000 B.C.)

God spoke to Abraham. He told him to leave his home. He told him to go to a new land. He gave him a promise. He said, "I will bless you. I will make your name great. You will be a blessing. All peoples on earth will be blessed through you." This was a huge promise. It meant that one day, someone from Abraham's family would change the world. It was a blueprint.

The Fulfillment (NT)
"This is the genealogy of Jesus the Messiah the son of David, the son of Abraham..." - Matthew 1:1

The Gospel of Matthew opens with a family tree. It traces the line of Jesus back to Abraham. It shows that Jesus is a descendant of Abraham. He is the one who brings blessing to the whole world. Through Jesus, people from every nation can be forgiven. The blueprint was fulfilled.

The Verdict
For this prophecy to be fulfilled, the Messiah had to be Jewish. He had to come from a specific family line. The odds of this being a coincidence are tiny. The Bible traces the lineage from Abraham to Jesus with precision. It is another line in the blueprint.

The Resonance
You are not an accident. You are part of a bigger story. God's plan is not just for one person. It is not just for one group. It is for the whole world. And you are included. You are part of the blessing.

The Prayer
God, thank you for keeping your promises. Thank you that your plan has always been bigger than one person or one nation. Thank you that Jesus came to bless the whole world, including me. Help me to see that I am part of your story. Help me to share the blessing with others. Amen.

Day 03: The Blueprint of Judah

The Hook

Have you ever seen a blueprint for a kingdom? It shows you the throne. It shows you the king. It shows you the royal line. The Bible has a blueprint for a kingdom. It is a blueprint for the line of kings. It is a blueprint for the King of Kings.

The Ancient Text (OT)
"The scepter will not depart from Judah, nor the ruler's staff from between his feet, until he to whom it belongs shall come and the obedience of the nations shall be his." - Genesis 49:10 (Written around 1800 B.C.)

Jacob was dying. He gathered his twelve sons around his bed. He gave each son a blessing. He gave each son a prophecy. When he got to Judah, he said something strange. He said the scepter would not depart from Judah. A scepter is a stick a king holds. It is a sign of authority. Jacob was saying that the line of kings would come from Judah. He was saying that one day, the ultimate King would come. It was a blueprint.

The Fulfillment (NT)
"For it is clear that our Lord descended from Judah..." - Hebrews 7:14

Jesus was from the tribe of Judah. The New Testament makes this clear. He is the King of Kings. He is the one who will rule the nations. The dying words of Jacob were not just a family blessing. They were a prophecy about Jesus. The blueprint was fulfilled.

The Verdict
The Jewish people had twelve tribes. They were all different. They all had different roles. But the Messiah had to come from one specific tribe. The odds of this being random are small. The Bible got it right. It is another line in the blueprint.

The Resonance
History is not random. It is not just a bunch of accidents. There is a pattern hidden in the chaos. God is not just watching. God is directing. The blueprint is real.

The Prayer
God, you are the King of Kings. Thank you for your plan that unfolds across thousands of years. Thank you that you are in control of history. Thank you that you are in control of my history. Help me to trust you with my future. Help me to trust you with my life. Amen.

Day 04: The Blueprint of the Star

The Hook
Have you ever seen a blueprint in the sky? Have you ever looked at the stars and seen a message? The Bible has a blueprint in the sky. It is a blueprint of a star. It is a blueprint of a sign. It is a blueprint of a king.

The Ancient Text (OT)
"I see him, but not now; I behold him, but not near. A star will come out of Jacob; a scepter will rise out of Israel." - Numbers 24:17 (Written around 1400 B.C.)

Balaam was a pagan prophet. He was hired by a king to curse Israel. But God would not let him. God turned his curses into blessings. God gave him a vision. Balaam saw a star. He saw a scepter. He saw a king. He saw the future. He said a star would come out of Jacob. It was a blueprint.

The Fulfillment (NT)
"Where is the one who has been born king of the Jews? We saw his star when it rose and have come to worship him." - Matthew 2:2

When Jesus was born, wise men came from the east. They were star gazers. They saw a star in the sky. They knew the ancient prophecy. They knew a star would signal the birth of a king. They traveled hundreds of miles to find Him. The star led them to Jesus. The blueprint was fulfilled.

The Verdict
This is a strange prophecy. It was spoken by a nonbeliever. It was spoken 1,400 years before Jesus was born. It connects a star to a king. And the story of the wise men lines up perfectly. It is another line in the blueprint.

The Resonance
The stars themselves were pointing to a king. The universe is not silent. It speaks. It points. If the stars can point to a king, maybe there is a God who wants to be found. Maybe there is a God who is calling you.

The Prayer
God, the heavens declare your glory. Thank you for putting signs in the sky that point to Jesus. Thank you for the wise men who followed the star. Help me to follow the clues that lead to you. Help me to seek you with all my heart. Amen.

Day 05: The Blueprint of the Prophet

The Hook
Have you ever seen a blueprint for a prophet? It shows you the voice. It shows you the message. It shows you the messenger. The Bible has a blueprint for a prophet. It is a blueprint for the one who would speak God's words. It is a blueprint for Jesus.

The Ancient Text (OT)
"I will raise up for them a prophet like you from among their fellow Israelites, and I will put my words in his mouth. He will tell them everything I command him." - Deuteronomy 18:18 (Written around 1400 B.C.)

Moses was talking to the people. He said, "God will raise up a prophet like me." This was a massive claim. Moses was the greatest prophet in Jewish history. But he said someone else was coming. This new prophet would speak God's words. The people were supposed to listen to Him. It was a blueprint.

The Fulfillment (NT)
"For Moses said, 'The Lord your God will raise up for you a prophet like me from among your own people; you must listen to everything he tells you.'" - Acts 3:22

Peter quotes this prophecy in the book of Acts. He applies it to Jesus. Jesus is the new Moses. Moses led people out of physical slavery in Egypt. Jesus leads people out of spiritual slavery to sin. Moses gave the law. Jesus gives grace. The blueprint was fulfilled.

The Verdict
The Jews were waiting for this prophet. They asked John the Baptist, "Are you the prophet?" They knew the prophecy. They were looking for someone like Moses. Jesus fulfilled that expectation. He was the greater Moses. The blueprint was fulfilled.

The Resonance
We are not just looking for a teacher. We are looking for a liberator. A teacher can tell you what to do. A liberator can set you free. Jesus is both. He teaches us the truth. He sets us free from sin.

The Prayer
God, thank you for sending Jesus. He is greater than Moses. He speaks your words. Help me to listen to Him. Help me to follow Him. Set me free from the things that hold me back. Amen.

Day 06: The Blueprint of the Branch

The Hook
Have you ever seen a blueprint for a tree? It shows you the roots. It shows you the trunk. It shows you the branches. The Bible has a blueprint for a branch. It is a blueprint for a king. It is a blueprint for the one who would grow from a dead stump. It is a blueprint for Jesus.

The Ancient Text (OT)
"A shoot will come up from the stump of Jesse; from his roots a Branch will bear fruit." - Isaiah 11:1 (Written around 700 B.C.)

Jesse was the father of King David. David was a great king. But his family line looked like a dead stump. Israel was in trouble. The kingdom was divided. The kings were weak. It looked like the royal line was finished. But Isaiah said, "A shoot will come up from the stump of Jesse." He said a Branch would bear fruit. It was a blueprint.

The Fulfillment (NT)
"And again, Isaiah says, 'The Root of Jesse will spring up, one who will arise to rule over the nations; in him the Gentiles will hope.'" - Romans 15:12

Jesus is that Branch. He came from the line of David. He came from the stump of Jesse. He is the King who rose from a dead family line. And Paul says something amazing in Romans.

He says the Gentiles will hope in Him. This Branch is not just for one nation. He is for the whole world. The blueprint was fulfilled.

The Verdict
The prophet Isaiah said a dead stump would come alive. He said the royal line would continue. Four hundred years passed. The line seemed dead. Then Jesus was born. The Branch grew. The blueprint was fulfilled.

The Resonance
God specializes in bringing life out of broken things. Are you feeling like a dead stump? Are you feeling like something in your life is finished? Maybe a dream died. Maybe a relationship ended. God can bring a green shoot. He can bring new life.

The Prayer
God, you bring life out of dead things. Thank you for the Branch that grew from the stump of Jesse. Thank you for Jesus. I ask you to bring new life to the broken places in my heart. Bring new life to my dreams. Bring new life to my family. Amen.

Day 07: The Blueprint of the Virgin Birth

The Hook
Have you ever seen a blueprint for a miracle? It shows you the impossible. It shows you the supernatural. It shows you the hand of God. The Bible has a blueprint for a miracle. It is a blueprint for the virgin birth. It is a blueprint for Jesus.

The Ancient Text (OT)
"Therefore the Lord himself will give you a sign: The virgin will conceive and give birth to a son, and will call him Immanuel." - Isaiah 7:14 (Written around 700 B.C.)

Isaiah was speaking to a king named Ahaz. Ahaz was a wicked king. He was worried about enemies. God told him to ask for a sign. Ahaz refused. So God said, "I will give you a sign anyway." And the sign was a virgin giving birth. The child would be called Immanuel. Immanuel means "God with us." It was a blueprint.

The Fulfillment (NT)
"The virgin will conceive and give birth to a son, and they will call him Immanuel" (which means "God with us"). - Matthew 1:23

Matthew tells us that Jesus is the fulfillment of this prophecy. Mary was a virgin. She became pregnant by the power of the Holy Spirit. She gave birth to Jesus. He is God with us. The blueprint was fulfilled.

The Verdict
This is a prophecy about a miracle. It cannot be explained away by coincidence. It cannot be explained by natural means. It requires a supernatural event. If the prophecy is true, then Jesus is not just a good teacher. He is God.

The Resonance
We serve a God who does impossible things. Are you facing an impossible situation? A problem no doctor can fix? A relationship no counselor can fix? A financial situation no bank can fix? God can do the impossible. He is the God of the impossible.

The Prayer
God, you are the God of the impossible. Thank you for sending Jesus, born of a virgin. Thank you that you are with us. Help me to believe that you can do impossible things in my life. Help me to trust you with the impossible. Amen.

The Ancient Text (OT)
"But you, Bethlehem Ephrathah, though you are small among the clans of Judah, out of you will come for me one who will be ruler over Israel, whose origins are from of old, from ancient times." - Micah 5:2 (Written around 700 B.C.)

Micah was a prophet. He was looking at the towns of Judah. He said, "Bethlehem, you are small." Bethlehem was a small town. It was not a capital. It was not a major city. But Micah said the ruler of Israel would come from Bethlehem. This was a specific address. It was a blueprint.

The Fulfillment (NT)
"So Joseph also went up from the town of Nazareth in Galilee to Judea, to Bethlehem the town of David, because he belonged to the house and line of David." - Luke 2:4

Joseph and Mary lived in Nazareth. They were far from Bethlehem. But the Roman emperor Caesar Augustus ordered a census. Every person had to go to their ancestral town to register. Joseph was from the line of David. David was from Bethlehem. So Joseph traveled to Bethlehem. And Mary went with him. She gave birth in Bethlehem. The blueprint was fulfilled.

The Verdict
It is statistically impossible to orchestrate your own birthplace. You cannot control where you are born. But the prophet knew. He named the town. And the Roman census made it happen. The blueprint was fulfilled.

The Resonance

God pays attention to details. If He cared enough to arrange the exact birthplace of His son, He cares about the details of your life. He cares about your address. He cares about your family. He cares about the small things.

The Prayer
God, thank you for caring about details. Thank you for planning every step of your son's life. Thank you that you care about my life too. Help me to trust you with the small things. Help me to trust you with the big things. Amen.

These are big titles. Wonderful Counselor. Mighty God. Everlasting Father. Prince of Peace. These are not titles for a normal child. These are titles for God. Isaiah said the child would be God. It was a blueprint.

The Fulfillment (NT)

Jesus made a claim that shocked everyone. He said, "I and the Father are one." He was saying He is God. The religious leaders tried to kill Him for saying this. They knew what He meant. The blueprint was fulfilled.

The Verdict
Jesus did not just claim to be a prophet. He did not just claim to be a teacher. He claimed to be God. The prophecy said the child would be Mighty God. Jesus claimed to be Mighty God. The blueprint was fulfilled.

Hosea wrote this about the nation of Israel. God called Israel out of Egypt in the book of Exodus. But Matthew saw a deeper meaning. He saw that this verse also pointed to Jesus. Jesus is the true Son of God. He also came out of Egypt. It was a blueprint.

The Fulfillment (NT)
"So he got up, took the child and his mother during the night and left for Egypt, where he stayed until the death of Herod. And so was fulfilled what the Lord had said through the prophet: 'Out of Egypt I called my son.'" - Matthew 2:14-15

King Herod was jealous. He wanted to kill the baby Jesus. An angel appeared to Joseph in a dream. The angel said, "Get up. Take the child and his mother and escape to Egypt." Joseph obeyed. He took Mary and Jesus and fled to Egypt. The blueprint was fulfilled.

When the wise men did not return to King Herod, he was furious. He ordered that all the boys in Bethlehem who were two years old and under be killed. The mothers of Bethlehem wept. The blueprint was fulfilled.

END MATTER

The 300+ Prophecy Challenge
We only looked at 30 prophecies in this book. The Bible contains over 300 prophecies about Jesus. If you want to keep investigating, I challenge you to read the Gospel of John. It is 21 chapters. It tells the story of Jesus from the perspective of an eyewitness. As you read, look for the clues. Look for the prophecies. Look for the evidence. You will be amazed at what you find.

The Probability Factor
Mathematicians have calculated the probability of one person fulfilling just eight of these prophecies. The odds are 1 in 10 to the 17th power. That is a one with seventeen zeros after it. That is the same as covering the entire state of Texas with silver coins, marking one coin, and having a blindfolded person pick the right coin on the first try. Jesus fulfilled not eight. Not thirty. Over three hundred. The math points to a miracle.

A Note on Faith
Evidence is important. It satisfies the mind. But evidence does not save you. The evidence points to a person. The evidence points to Jesus. You can believe the facts and still be far from God. The invitation is for your heart. Jesus said, "Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in." The evidence is on the table. The door is open. It is your choice.
