Why This Book Exists

Have you ever celebrated a holiday and not known why? You eat the food. You sing the songs. You spend time with family. But you have no idea where the traditions came from. You just do them because you always have.

That is how many people feel about the Passover. They read about it in the Bible. They see it in movies. They hear about it in church. But they do not understand it. They do not know why it matters. They do not know why God told the Israelites to celebrate it forever. They do not know why it is still important today.

I get it. I have been there. I have read about the lamb and the blood and the doorposts. I have wondered why God would ask His people to paint blood on their houses. I have wondered what it all meant. But here is the thing. The Passover is not just an ancient ritual. It is a picture. It is a preview. It is a prophecy. It is a shadow. And every detail points to Jesus.

This book is for you. You are new to the faith. You are trying to understand. You are trying to build a foundation. Over the next 30 days, we are going to look at 30 details of the Passover. We are going to see what they meant. We are going to see why they were given. And we are going to see how Jesus fulfilled every single one of them. We are going to see the real meaning of the Passover.

The Value You Will Get

By the end of this book, you will not be confused by the Passover. You will understand it. You will understand its purpose. You will understand its symbolism. And you will understand its fulfillment. You will see that the Passover was never meant to be an empty ritual. It was meant to be a picture of Jesus. You will have a new confidence in your faith. You will have a new love for your Bible. And you will have a new appreciation for the Lamb of God.

How to Use This Guide

This is a 30 day journey. Each day takes about 5 to 10 minutes. Read the old ceremony. Read the new reality. Read why it matters for you. Read the faith builder. Read the prayer. If you are not sure how to pray, just read the words out loud. God hears honest words. He is not looking for fancy language. He is looking for your heart.

Day 01: The Lamb Without Blemish

The Old Ceremony
"Your lamb shall be without blemish, a male a year old. You may take it from the sheep or from the goats." - Exodus 12:5 (Written around 1400 B.C.)

The Passover lamb had to be perfect. It could not have any spots. It could not have any broken bones. It could not have any sickness. It had to be the best of the flock. This was a rule. It was a symbol. It pointed to something greater.

The Old Ceremony
"Then they are to take some of the blood and put it on the sides and tops of the doorframes of the houses where they eat the lambs." - Exodus 12:7 (Written around 1400 B.C.)

The blood of the lamb had to be applied. It had to be painted on the doorposts. It had to be on the sides. It had to be on the top. It had to be visible. This was a sign. It was a symbol. It pointed to something greater.

The New Reality

"For you know that it was not with perishable things such as silver or gold that you were redeemed from the empty way of life handed down to you from your ancestors, but with the precious blood of Christ, a lamb without blemish or defect." - 1 Peter 1:18-19

You have journeyed through 30 details of the Passover. Now what? I challenge you to read the book of Hebrews. It is 13 chapters. It is the perfect follow-up to this book. It will show you how Jesus is greater than the angels, greater than Moses, greater than the priests, and greater than the sacrifices. As you read, look for the shadows. Look for the substance. Look for Jesus.

A Note on Faith

The ceremonies are evidence. They are evidence of a divine plan. But evidence does not save you. The ceremonies point to a person. The ceremonies point to Jesus. You can understand the ceremonies and still miss the substance. The invitation is for your heart. Jesus said, "Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in." The ceremonies are on the table. The door is open. It is your choice.
