Why This Book Exists

Have you ever been rejected? Have you ever been overlooked? Have you ever been dismissed? It hurts. It is one of the deepest pains we can experience. But rejection is not the end of the story. Sometimes rejection is the beginning. Sometimes the one who is rejected becomes the one who delivers. Sometimes the one who is overlooked becomes the one who saves.

The Old Testament tells the story of two rejected deliverers. Moses was rejected by his people. David was rejected by his brothers. They were overlooked. They were dismissed. They were rejected. But God chose them. God called them. God used them. And they became deliverers. They became saviors. They became heroes. But they were not the ultimate deliverer. They were not the ultimate savior. They were shadows. They were echoes. They were patterns. And they point to Jesus.

This book is for the curious. It is for the spiritual seeker who wants to understand the pattern of rejection. It is for the person who wants to see the hidden Christ. Over the next 30 days, we are going to look at the lives of Moses and David. We are going to see their rejection. We are going to see their deliverance. And we are going to see how they reveal Jesus.

The Value You Will Get

By the end of this book, you will not see rejection as the end of the story. You will see it as the beginning. You will see it as the pattern. You will see it as the blueprint. You will understand the rejected deliverer. You will understand the hidden Christ. You will understand why rejection matters today. You will have a new confidence in your faith. You will have a new love for your Bible. And you will have a new appreciation for the one who was rejected for you.
