Why This Book Exists

When you first start following Jesus, you learn about freedom. You learn that Jesus sets you free. You learn that Jesus breaks the chains. You learn that Jesus delivers you from sin. It is wonderful. It is life-changing. It is the good news.

But then you open the Old Testament. You read about slavery in Egypt. You read about the Exodus. You read about the Promised Land. You read about heroes who delivered people. You might wonder, "What does this have to do with my freedom? How does this connect to my new life?"

Here is the secret. The Old Testament is a rescue plan. It is a blueprint. It is a preview. Every hero. Every deliverer. Every rescue. They all point to the ultimate rescue. They all point to Jesus. They all point to your freedom.

This book is for you. You are new to the faith. You are building your foundation. Over the next 30 days, we are going to look at 30 Old Testament heroes. We are going to see how they rescued people. We are going to see how they set people free. And we are going to see how they point to your freedom in Christ.

The Value You Will Get

By the end of this book, you will not see the Old Testament as just a collection of old stories. You will see it as a rescue plan. You will see it as a blueprint. You will see it as a preview. You will understand the Old Testament heroes. You will understand their rescues. You will understand why they matter for your freedom. You will have a new confidence in your faith.
