A Note for the Parent: Building on the Foundation

You did it. You spent 30 days cracking the secret code of Leviticus. But the adventure does not end here. It is just beginning.

Here are a few tips to keep going:

1. Make it a habit, not a chore. Do not stress about reading the Bible for 30 minutes a day. A simple 5 minute rhythm before bed is better than an hour once a month.
2. Let them see you reading. Kids do what they see. Let them catch you reading your Bible. Let them see that it matters to you.
3. Ask "Where is Jesus?" in every story. Whenever you read a Bible story, ask your child, "Where do you see Jesus in this story?" This trains them to look for Jesus everywhere.
4. Recommended next steps. Read The Jesus Storybook Bible by Sally Lloyd-Jones. Read The Biggest Story by Kevin DeYoung. Keep pointing them to the Treasure.

You are doing a great job. Keep going.
