Why This Book Exists

Have you ever watched a courtroom drama? There is a lawyer. There is a judge. There is a jury. The lawyer presents evidence. The lawyer calls witnesses. The lawyer shows documents. The lawyer makes a case. The jury listens. The jury decides. The verdict is based on evidence.

The Bible makes a case. It makes a case for Jesus. It presents evidence. It calls witnesses. It shows documents. The documents are the prophecies. The witnesses are the prophets. The evidence is the fulfillment. The case is overwhelming. The verdict is clear. Jesus is the Messiah.

This book is for the curious. It is for the spiritual seeker who wants to see the evidence. It is for the person who wants to examine the case. Over the next 30 days, we are going to look at 30 pieces of evidence. We are going to see the prophecies. We are going to see the fulfillments. We are going to see the case for Jesus. And we are going to see the ultimate evidence.

The Value You Will Get

By the end of this book, you will not see the Bible as a collection of stories. You will see it as a legal document. You will see it as a case file. You will understand the evidence. You will understand why it is so compelling. You will understand why it cannot be dismissed. You will see the hand of God in the details. You will have a new confidence in your faith. You will have a new love for your Bible. And you will have a new appreciation for the ultimate evidence.

How to Use This Guide

This is a 30 day journey. Each day takes about 10 minutes. Read the hook. Read the ancient evidence. Read the fulfillment. Read the verdict. Read the resonance. Read the prayer. If you are not sure how to pray, just read the words out loud. God hears honest words. He is not looking for fancy language. He is looking for your heart.

Day 01: The Evidence of the Seed

The Hook
Have you ever seen a courtroom? There is a judge. There is a jury. There is a lawyer. The lawyer presents evidence. The lawyer makes a case. The case is built on facts. The case is built on proof. The Bible makes a case. It makes a case for Jesus. It presents evidence. It presents the evidence of the seed. It is the ultimate evidence.

The Ancient Evidence (OT)
"And I will put enmity between you and the woman, and between your offspring and hers; he will crush your head, and you will strike his heel." - Genesis 3:15 (Written around 1400 B.C.)

This is the first prophecy in the Bible. God is speaking to a snake. But He is not just speaking to a snake. He is speaking to the devil. He says a descendant of a woman will come. That descendant will crush the serpent's head. It sounds like a riddle. It sounds like a code. It is the first piece of evidence.

The Fulfillment (NT)
"But when the set time had fully come, God sent his Son, born of a woman, born under the law..." - Galatians 4:4

Jesus is that descendant. He was born of a woman. He came to crush the serpent's head. He came to defeat the devil. On the cross, it looked like the serpent won. But three days later, He rose from the dead. The serpent's head was crushed. The evidence was presented. The case was made.

The Verdict
This is not a coincidence. The first prophecy in the Bible is about a hero. The greatest hero in the Bible is Jesus. The pattern is exact. The evidence is precise. The case is Jesus.

The Resonance
Do you feel like the snake is winning? Do you feel like the enemy is too strong? Remember the first prophecy. The hero is coming. The hero has come. The serpent's head is crushed. You are on the winning side.

The Prayer
God, thank you for the first prophecy. Thank you for the promise of a hero. Thank you for Jesus. Thank you for crushing the serpent's head. Thank you for winning the victory. Help me to live in that victory today. Amen.

END MATTER

The 300+ Prophecy Challenge

We only looked at 30 prophecies in this book. The Bible contains over 300 prophecies about Jesus. If you want to keep investigating, I challenge you to read the Gospel of John. It is 21 chapters. It tells the story of Jesus from the perspective of an eyewitness. As you read, look for the clues. Look for the prophecies. Look for the evidence. You will be amazed at what you find.

The Probability Factor
Mathematicians have calculated the probability of one person fulfilling just eight of these prophecies. The odds are 1 in 10 to the 17th power. That is a one with seventeen zeros after it. That is the same as covering the entire state of Texas with silver coins, marking one coin, and having a blindfolded person pick the right coin on the first try. Jesus fulfilled not eight. Not thirty. Over three hundred. The math points to a miracle.

A Note on Faith
Evidence is important. It satisfies the mind. But evidence does not save you. The evidence points to a person. The evidence points to Jesus. You can believe the facts and still be far from God. The invitation is for your heart. Jesus said, "Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in." The evidence is on the table. The door is open. It is your choice.
