Why This Book Exists

Have you ever read a comic book? Have you ever watched a superhero movie? There is always a hero. There is always a villain. There is always a rescue. The hero swoops in. The hero saves the day. The hero defeats the villain. We love heroes. We love their stories. We love their courage.

The Old Testament is full of heroes. It is full of figures. It is full of legends. Abraham. Joseph. Moses. David. Jonah. Esther. Ruth. These are the heroes of the Old Testament. These are the figures of the faith. But here is the secret. They are not the ultimate hero. They are not the final legend. They are shadows. They are echoes. They are patterns. They are clues. And every single one of them points to the ultimate hero. That hero is Jesus.

This book is for the curious. It is for the spiritual seeker who wants to understand the ultimate hero. It is for the person who wants to see the rescue. Over the next 30 days, we are going to look at 30 Old Testament figures. We are going to see their lives. We are going to see their stories. And we are going to see how they point to Jesus. They are the heroes. But Jesus is the ultimate hero.

The Value You Will Get

By the end of this book, you will not see the Old Testament as just a collection of old stories. You will see it as a gallery of heroes. You will see it as a pattern. You will see it as a blueprint. You will understand the Old Testament figures. You will understand their stories. You will understand why they matter today. You will have a new confidence in your faith. You will have a new love for your Bible. And you will have a new appreciation for the ultimate hero.
